Continuation of 13. Other: see attached

The filing date of the amendment was Jan 21, 2009 which is the date Applicant should file a brief (a notice of appeal was filed on Nov 21, 2008).

The MPEP says that entry of a new amendment in application on appeal is not a matter of right and that amendments filed after the filing of a notice of appeal, but prior to (not on the date -- i.e., 1/21/09 -- when applicant should file a brief) the date of filing a brief may be admitted only to:

- (A) cancel claims;
- (B) comply with any requirement of form expressly set forth in a previous action;
- (C) present rejected claims in a better form for consideration on appeal; or
- (D) amend the specification or claims upon showing of good and sufficient reasons why the amendment is necessary and was not earlier presented.

Amendments filed on or after the date of filing a brief pursuant to 37 CFR 41.37 may be admitted only to:

- (A) cancel claims, where such cancellation does not affect the scope of any other pending claim in the proceeding; or
- (B) rewrite dependent claims into independent form..
